1. Action Requested: It is requested that you visit the [REDACTED] in May to take an orientation tour of the facilities, speak to a representative group of students, and possibly remain overnight.

2. Background: In accordance with your note of 15 April, we have reviewed the schedule of activities on Friday evenings during May. Any Friday in May will have over a hundred students attending courses and conferences at [REDACTED], except Friday, 27 May, which begins the Memorial Day weekend. The students will not be present for evening sessions on 27 May as most of them will be returning to their homes instead of remaining overnight on Base.

3. Staff Position: We previously invited you to be the Operations Course graduation speaker on 5 May, and/or to speak to the Senior Seminar on 23, 24, or 25 May. If you would prefer a Friday visit, we suggest 20 May as this date will have a more representative group of students present.

4. Recommendation: If any of the proposed dates meet with your approval, please choose the most convenient time and we will make appropriate arrangements for your visit.

Remarks:
Bernie:
The attached memo to the DCI is self-explanatory in connection with his penned note on my memo of 13 April.
Inasmuch as the DCI has now stated his intent to visit [redacted] on 5 May, perhaps the better course is to have him make that trip and then see if he would like to revisit for true orientation purposes to include staying over one night.
Let me know your pleasure.
